ROAMER INTERNATIONAL GUARANTEE

Your watch is guaranteed against any defects in material or workmanship that may occur under normal use for a period of TWO YEARS from the date of purchase. The guarantee excludes any liability for defects arising (directly or indirectly) from mistreatment, accidental damage; water penetration (except in watches marked as "water-resistant"); wear to leather straps and metal bracelets; or any damage caused by batteries in electronic watches. This guarantee is void if damage has occurred as a result of unauthorised or incorrect adjustment or service, negligence or any other factors not due to defects in material or workmanship. Service under the terms of this guarantee will only be provided if your watch is returned directly to an Authorised Dealer of Roamer. When returning your watch, please indicate the nature of the problem. We reserve the right to repair, recondition or replace (with a watch of similar value and appearance) at our discretion provided that your watch is returned with proof and date of purchase. The Guarantee is only valid if completed and dated at the time of purchase by your Authorised Roamer retailer. Under no circumstances will Roamer be liable for any incidental or consequential damages.

To ensure reliable performance and for your own security the waterresistance of the case should be checked once a year. Do not attempt to replace the battery yourself as this will invalidate your guarantee.
